

Schedule Your State Safety Target Setting Coordination & Training Workshop Now

What: FHWA, in coordination with NHTSA, is offering State Safety Target Coordination & Training One-Day Workshops

Why: FHWA's Safety Performance Management Measures regulation (23 CFR Part 490) requires States and MPOs to coordinate when establishing targets for 5 safety performance measures to support the HSIP. Three of those targets must be identical in the State's HSP submitted to NHTSA

Where: Your State

Who: The workshop requires participants from State DOTs, SHSOs, MPOs and other safety stakeholders in the State along with FHWA and NHTSA

When: Workshops will be delivered from November 2016 – June 2017 on a first come first serve basis

How: Contact your FHWA Division Office to schedule
