Print Name

Title

Multiple entries must be submitted separately. Applications and corresponding required documentation should be submitted electronically to awards@roadwaysafety.org.

All nominations must be received by May 15, 2015 to be considered.

The program is available to U.S. nominees only, including U.S. territories and funded operations such as District of Columbia, Puerto Rico, Guam, and the Mariana Islands.

U.S. Department of Transportation
Federal Highway Administration

Application – Checklist

Entry Documentation Required

☐

Completed application form

☐

Project description – no more than 5 pages

The description should include the following:

- Summary of the overall problem(s) and safety problem(s) addressed
- Comment on project's applicability to award criteria and program category (provide a brief statement explaining how your project meets the criteria of effectiveness, innovation, and efficient use of resources)

☐

Supporting documentation (e.g., data-supported results/reports, safety statistics and outcomes, evaluations and/or evaluation plans) – no more than 10 pages of text, not including graphics, photos, or videos

☐

Photos – include at least one, but no more than three photos, not to exceed 5" x 7"; if sending electronically, photo files should not exceed 3.0 MB per image. Please submit a caption for each photo submitted. The 2015 National Roadway Safety Awards Noteworthy Practices Guide will include an image for each award recipient.

☐

Press releases and media coverage, if applicable
