

■ Chapter 4 Checklist: Emphasis Area Action Plans

Answering these questions will help stakeholders review their SHSP action planning process and identify opportunities for improvement.

- ☐ Does your State have action plans for all SHSP emphasis areas and strategies?
- ☐ Does your State have multidisciplinary action planning teams?
- ☐ Is someone assigned to coordinate and document all the actions plans and track progress?
- ☐ Are the action plans available to all the stakeholders?
- ☐ Are projects and activities identified in the action plans?
- ☐ If your State's SHSP includes strategies that require changes in legislation, policies, or design standards, are the proper legislative officials involved in the action planning process?
