

## ■ Chapter 5 Checklist: Integration into Other Transportation Plans and Programs

The following series of questions will help stakeholders identify opportunities for integrating the SHSP into the other transportation plans and programs and help identify areas for improvement.

- ☐ Do SHSP stakeholders participate in the plan/program development process?
- ☐ Do all safety agencies use the same database and analysis strategies to identify problems and program funding?
- ☐ Do the plan/program visions, goals, and objectives reflect SHSP goals?
- ☐ Are plan/program strategies and countermeasures consistent with SHSP strategies?
- ☐ Do plan/programs target funding to implement strategies associated with SHSP emphasis areas?
- ☐ Do SHSP stakeholders participate in the establishment of project prioritization weighting or ranking schemes?
- ☐ Do plan/program managers engage SHSP stakeholders in project selection?
- ☐ Are safety criteria included in agency performance reviews?
- ☐ Have SHSP stakeholders met with DOT and MPO planners to learn how safety data, analysis, and strategies are incorporated into their planning process?
- ☐ Do DOT and MPO planners have access to SHSP safety data and analysis?
- ☐ Do SHSP stakeholders participate in MPO board meetings?
- ☐ Do the MPOs have safety committees and regional safety action plans?
- ☐ Is safety mainstreamed into the scope of general construction projects?
- ☐ Is safety integrated into the State and local freight planning processes?
- ☐ Do HSP grant solicitation documents contain SHSP criteria?
- ☐ Do MCSAP officers and managers collaborate with local law enforcement, motor vehicle administrators, and engineers?
